**TITLE:** Bridge Barrier Replacement,  
Project 01-52—Accept Construction

**RECOMMENDATION**

Accept Bridge Barrier Replacement (HBRR Grant), Project 01-52, and authorize the final contract payment.

**FISCAL IMPACT**

The Bridge Barrier Replacement (HBRR Grant), Project 01-52, is funded as part of the 2000-01 Capital Improvement Program in the amount of \$183,000, with \$44,000 from the CIP Reserve Fund, \$26,000 from the Shoreline Community Fund and \$113,000 in Federal Highway Bridge Replacement and Rehabilitation (HBRR) funds. The final construction cost of \$76,359 is within the construction budget of \$83,369.

**BACKGROUND AND ANALYSIS**

On November 19, 2003, the City Council awarded the construction contract for Bridge Barrier Replacement (HBRR Grant), Project 01-52, to Valentine Corporation of San Rafael, California, at the low bid price of \$73,369 and authorized a \$10,000 construction contingency. The project scope upgraded bridge barriers to current design standards for the bridges located at: Middlefield Road over Stevens Creek, Moffett Boulevard over Stevens Creek and Charleston Road over Permanente Creek.

The final construction cost of \$76,359 included one change order totaling \$2,990 to install conduits in the Charleston Road sidewalk. All work has been completed in accordance with the plans and specifications.
